The ChimneyDoc

Your local Chimney Sweep

In light of the increasing number of chimney fires and other chimney blockage problems, I have introduced an affordable payment plan to give you peace of mind by ensuring your chimney is regularly swept. I will contact you to arrange a convenient time when it is due. To encourage more regular sweeping, only a small additional charge is made for more than one sweep per year. In addition, you can combine the cost with other services (gutter clearing, for example). The cost also includes a free call-out service in the event that you do suffer a chimney fire or other blockage during the term of the agreement. Please note that I will strictly limit the number of these plans, in order to ensure priority services to those clients.

Advantages

- Regular sweeping is assured giving you peace of mind.
- I will call you to arrange times
- Combine with other services such as gutter clearing, slate hearth dressing, iron blacking etc.
- Free call-out in the event of chimney blockage or post-chimney fire cleaning.
- 10% discount on other services not included in your service plan.

Here are a few examples of monthly charges for services. A normal sweep relates to an open fire or wood/multi fuel burner. Please contact me for solid fuel stoves and multi-flue fires.

Single chimney, one annual sweep - £4.50

Single chimney, two annual sweeps - £6.00

Two chimneys, one annual sweep - £5.50

Two chimneys, two annual sweeps - £7.50

Add annual gutter cleaning to the above services - From £2.00
